Recognized Excellence in Academic Achievement, Student Satisfaction and Quality

Built upon 34 years of academic experience and embracing the vision of a "New Generation Public University," our University continues to rank among Türkiye's leading public universities through its achievements in educational quality, student satisfaction and institutional excellence.

Our University has maintained its consistent success in the Türkiye University Satisfaction Survey (TÜMA). Among 126 public universities, it ranked 28th in overall satisfaction in 2023, 23rd in 2024, 29th in 2025 and once again 23rd in 2026. This achievement is a significant reflection of our student-centered approach to education and our quality culture based on continuous improvement.

As a result of its quality-oriented management approach, our University has been awarded Full Institutional Accreditation for five years by the Turkish Higher Education Quality Council (THEQC - YÖKAK), officially recognizing its quality assurance practices

WHY BANÜ?

- ✓ Bandırma, Gönen, Manyas and Erdek, where our campuses are located, offer exceptional tourism opportunities with attractions such as Manyas Bird Paradise, Kapıdağ Nature Park, Gönen Thermal Springs, the ancient cities of Cyzicus and Daskyleion, as well as their coastal landscapes, historical heritage and natural beauty.
- ✓ Double major, minor and summer school opportunities are available.
- ✓ Through 104 student clubs and societies, students are offered opportunities to showcase their talents and develop themselves in social, cultural, artistic and sporting activities.
- ✓ Our students participate in activities across 29 sports disciplines.
- ✓ Our main campus features a Health Center staffed by two physicians, two nurses and a psychologist. Bandırma Onyedi Eylül University Training and Research Hospital is also located on our main campus.
- ✓ There are nine state-run student dormitories for female and male students, operated by the Ministry of Youth and Sports (KYK), with a total accommodation capacity of 7,366.
- ✓ Our University hosts 1,492 international students from 67 countries enrolled in associate, undergraduate and graduate programs, as well as approximately 300 international students and course participants studying at TÖMER (Turkish Language Teaching Center).
- ✓ Foreign language preparatory education supported by international academic staff is available.
- ✓ Students have opportunities to study abroad through the Erasmus+ Exchange Programme.
- ✓ Our library's collection of domestic and international resources has grown significantly, reaching a total of 7,129,118 printed and electronic publications.
- ✓ Located close to major cities such as Istanbul, Bursa, Çanakkale, Manisa and Izmir, our University offers convenient access by road, rail and sea transportation (IDO).
- ✓ Modern, hygienic, high-quality and affordable dining hall and cafeteria services are provided. Unlimited Wi-Fi access is available across all university campuses.
- ✓ Home to one of Türkiye's leading multipurpose sports complexes, BANÜ Sports Valley, our University provides students with opportunities to participate in sports across various disciplines in facilities meeting international standards.
